Item 7.01. Regulation FD Disclosure.

On January 23, 2023, Innovid Corp. (the “Company”) announced a reduction of its global full-time headcount by approximately 10%. This headcount reduction reflects the Company’s continued focus on sustainable and profitable growth. It is expected that the implementation of the headcount reduction will be substantially complete by the end of the first quarter of 2023.

Forward-Looking Statements

This report includes “forward-looking statements” within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1996. The Company’s actual results may differ from its expectations, estimates and projections and consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as “expect,” “estimate,” “project,” “budget,” “forecast,” “anticipate,” “intend,” “plan,” “may,” “will,” “could,” “should,” “believes,” “predicts,” “potential,” “continue,” “aim,” and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, the Company’s expectations regarding its future financial results and expected growth. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results, including Innovid’s ability to raise financing in the future, success in retaining or recruiting officers, key employees or directors, changes in applicable laws or regulations, Innovid’s ability to maintain and expand relationships with advertisers, decreases and/or changes in CTV audience viewership behavior, Innovid’s ability to make the right investment decisions and to innovate and develop new solutions, the accuracy of Innovid’s estimates of market opportunity, forecasts of market growth and projections of future financial performance, the extent of investment required in Innovid’s sales and marketing efforts, Innovid’s ability to effectively manage its growth, the impact of the Covid-19 pandemic, the risk of continued inflation and other macroeconomic events, acquisition related risks, and other important factors discussed under the caption “Risk Factors” in Innovid’s Annual Report on Form 10-K filed with the SEC on March 18, 2022, as such factors may be updated from time to time in its other filings with the SEC, accessible on the SEC’s website at www.sec.gov and the Investors Relations section of Innovid’s website at investors.innovid.com. Most of these factors are outside the Company’s control and are difficult to predict. The Company cautions not to place undue reliance upon any forward-looking statements, including projections, which speak only as of the date made. The Company does not undertake or accept any obligation to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.
